**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and small business owner who supports broadband competition. If it weren't for Sonic.net, not only would I have super slow internet, but I'd also have to deal with the horrible service of the only other competitor in my area. If I didn't have the ability to choose one of the "smaller guys", I'd be stuck with no other choice, and choice is a good thing.
